Kick Start – welfare checks, uniform checks, equipment checks, messages, homework monitoring, discuss and promote challenges that have been set.

DoL Directed – DoLs will communicate with Tutors about what the focus of this session should be – this may be related to a specific year group issue or be used for tutor mentoring (whilst other members of the form read)

Thought for the week – the PowerPoint with thought for the week is saved in the tutor time folder, thought for the week must happen weekly, it is also displayed on the website. Thought for the week promotes students to consider issues of SMSC (Social, Moral, Spiritual and Cultural as well as developing understanding of our British Values)

PD input/Future Friday – This will be shared the week before by KEK (PD) or SXF (Future focus)

Assembly – in the short-term assemblies will be delivered in form rooms. Ideally the member of staff leading the assembly will do this via live broadcast on TEAMS. Where this isn't possible a PowerPoint can be narrated and saved in the tutor time folder on the shared area so that tutors can access the assembly in their rooms.
